## MASCOT COMPETITION STILL TIME TO ENTER

Our partners had lots of competitions for you to win mascot packages recently and there is still time to win with Adventure Wonderland.

To be in with a chance of winning, head over to Adventure Wonderland's Facebook page and answer the question:

*Who is the manager of AFC Bournemouth?*

Leave your comments on the post on their Facebook page before Sunday 8th March to be in with a chance of winning. Good luck!

## FREESTYLER IN FANZONE

We have put lots of effort into making the Junior Fan Zone bigger and better than ever this season and ahead of Saturday's match against Huddersfield, we even had a football freestyler, sponsored by Pump Technology.

Not only was he on hand to show his tricks and teach youngsters before the game, but he even went on and wowed the crowd at half-time.

The Junior Fan Zone is open ahead of every home matchday in the Broomhill Garden Buildings Family Stand from 12.30pm.

Packed with fun and games, there are x-boxes, footballs and even face painters to ensure young supporters are fully ready for the match by kick-off!

## YOUNG SUPPORTERS GALLERY

We have really enjoyed seeing so many of you enjoying the games here recently and on Saturday your support was louder than ever!

Our photographer was on hand to capture some of you enjoying your day can you spot yourself?

## SURVEY ONGOING

We are still getting a great response to our matchday experience survey, so if you haven't already filled it in, don't forget to pick up a copy around the ground today.
